

Energy Efficiency Block Grant Approved Funds -- Direct Purchase
California Energy Commission

As of April 28, 2010

Date Approved	City/County	EECBG Award	Energy Efficiency Measures
4/7/2010	CITY OF SCOTTS VALLEY	\$61,709	Replace high-pressure sodium street lights with new induction fixtures
4/7/2010	CITY OF SOLEDAD	\$154,426	Replace existing high pressure sodium cobra-head street light fixtures with induction cobra-head fixtures.
4/7/2010	CITY OF GREENFIELD	\$82,019	Implement energy efficiency projects including, but not limited to street lighting retrofits, other exterior lighting retrofits and HVAC upgrades for city buildings.
4/7/2010	CITY OF ALBANY	\$88,846	Replace existing high pressure sodium vapor street lights located with LED lights.
4/7/2010	CITY OF TEHAMA	\$25,000	Replace HVAC units, install programmable thermostats, and replace existing lighting with energy efficient lighting in various buildings.
4/7/2010	CITY OF LAFAYETTE	\$137,000	Retrofit existing streetlight fixtures with energy-efficient fixtures or bulbs.
4/7/2010	CITY OF HOLLISTER	\$199,674	Replace and retrofit existing city equipment with energy-efficient equipment, including induction street lighting, LED lights in parking lots, and exterior lighting and high-efficiency HVAC system upgrades to city buildings.
4/7/2010	CITY OF LATHROP	\$93,700	Replace the existing HVAC to a high efficiency HVAC, update the street light fixture equipment with more energy efficient upgrades of the same type of equipment, and convert standard light switches to high efficiency occupancy sensors.
4/7/2010	CITY OF CAPITOLA	\$52,651	Replace existing street light fixture equipment with more energy efficient induction lighting fixtures.
4/7/2010	CITY OF SAN MARINO	\$71,904	Upgrade/replace inefficient HVAC systems at City Hall, the Police Department, the Fire Department and Public Works.
4/7/2010	CITY OF SEASIDE	\$185,293	Replace high pressure sodium streetlights with induction lighting and incandescent signals with LED signals.
4/7/2010	CITY OF PINOLE	\$103,455	Replace high pressure sodium streetlights with LED lighting fixtures.
4/7/2010	TOWN OF FAIRFAX	\$38,178	Replace high pressure sodium vapor decorative lamps in streetlights with higher efficiency options including induction or light emitting diodes.
4/7/2010	CITY OF GOLETA	\$159,293	Retrofit lighting at city hall, the community center and four elementary schools.

4/7/2010	CITY OF WILLOWS	\$36,351	Replace metal halide walkway and streetlights with LED and induction lighting fixtures.
4/7/2010	CITY OF CALIMESA	\$35,958	Retrofit three city buildings with energy efficient lighting, including installing energy efficient lamps and ballasts, occupancy sensors, LED exit signs, and outdoor LED light fixtures with photocell controls.
4/7/2010	CITY OF ORLAND	\$25,000	Replace the HVAC system for Orland City Hall, Orland Free Library, and the Public Corp Yard building.
4/7/2010	CITY OF ARTESIA	\$91,098	Replace the HVAC and lighting retrofit, replacing T12 with T8 in the library and community center.
4/7/2010	CITY OF BELMONT	\$133,973	Replace high pressure sodium streetlights with LED lighting fixtures.
4/7/2010	CITY OF LARKSPUR	\$63,132	Replace high pressure sodium streetlights with induction lighting
4/7/2010	TOWN OF WINDSOR	\$223,773	To the collaborative of Windsor, Cotati and Cloverdale to replace high pressure sodium streetlights with LED and induction lighting and upgrade interior lighting.
4/7/2010	CITY OF PIEDMONT	\$58,369	Replace existing high pressure sodium cobra-head street light fixtures with induction cobra-head fixtures.
4/7/2010	CITY OF AMERICAN CANYON	\$88,498	Replace high pressure sodium cobra-head fixtures with LED fixtures.
4/21/2010	CITY OF FARMERSVILLE	\$57,350	Replace 40.5 tons of air conditioning from 1985 with modern, efficient units install six energy-saving LED Exit signs, upgrade lighting and heating controls, and replace 130 inefficient T12 fluorescent fixtures with efficient T8 fluorescent fixtures
4/21/2010	CITY OF DIXON	\$97,561	Retrofit existing street lights with more energy efficient LED lighting.
4/21/2010	CITY OF SAN JUAN BATISTA	\$25,000	Replace existing High Pressure Sodium street lights and Incandescent street lights located within the public right of way with Induction lights.
4/21/2010	CITY OF GRIDLEY	\$35,407	Update 57 of the city's high pressure sodium streetlights to LED.
4/21/2010	CITY OF BIG BEAR LAKE	\$34,836	Replace 57 high pressure sodium and metal halide parking lot lights with LED lights. In addition, the City of Big Bear Lake proposes to replace 263 32-watt T8 lamps with 28-watt T8 lamps and replace 35 timed lighting controls with dual technology occupancy sensors.

4/21/2010	CITY OF GONZALES	\$47,225	Retrofit existing streetlights with more energy efficient LED lighting.
4/21/2010	COUNTY OF MERCED	\$511,566	Replace existing metal halide, high pressure sodium lighting with energy efficient induction lighting and replace high watt fluorescent lighting in public parking lots with low watt fluorescent lighting.
4/21/2010	CITY OF SHASTA LAKE	\$58,555	Install four variable frequency drives (VFD) on existing pumps at two city lift stations. The VFDs will be installed on two 200-hp pumps and two 75-hp pumps.
4/21/2010	CITY OF EL PASO ROBLES	\$156,083	Replace High Pressure Sodium Vapor (HPSV) street lights with LED lighting fixtures.
4/21/2010	COUNTY OF SAN JOAQUIN	\$836,781	Install HVAC upgrades and variable frequency drives.
4/21/2010	CITY OF LEMOORE	\$136,469	Replace High Pressure Sodium Vapor (HPSV) street lights with LED lighting fixtures.
4/21/2010	CITY OF MILLBRAE	\$112,630	Replace High Pressure Sodium Vapor (HPSV) street lights with LED lighting fixtures.
4/21/2010	CITY OF BEAUMONT	\$172,103	Upgrade interior and exterior lighting, and HVAC units, as well as install programmable thermostats.
4/21/2010	CITY OF MENLO PARK	\$163,154	Replace High Pressure Sodium Vapor (HPSV) street lights with LED lighting fixtures.
4/21/2010	CITY OF SIGNAL HILL	\$60,853	Replace eight standard efficiency motors in water wells located throughout the city totaling 910 horse power with premium efficiency motors.
4/21/2010	CITY OF BRISBANE	\$25,000	replace high pressure sodium vapor street lights with LED lighting fixtures
4/21/2010	CITY OF LA PALMA	\$85,346	Replace HVAC units at City Hall and the police department, as well as upgrade interior and exterior light fixtures and install occupancy sensors.
4/21/2010	CITY OF SONORA	\$7,500	Replace two furnaces at the police department.
4/21/2010	NORTHERN CALIFORNIA POWER AND GAS	\$167,927	The cities of Biggs, Healdsburg, and Ukiah to replace High Pressure Sodium Vapor (HPSV) street lights with LED lighting fixtures.
4/28/2010	CITY OF EAST PALO ALTO	\$180,214	Replace high pressure sodium streetlights with high efficiency LED lighting fixtures.

4/28/2010	CITY OF LOS ALAMITOS	\$63,720	Upgrade eight HVAC units totaling 44 tons to new 11.5 EER or 13 SEER units, and replace 329 fluorescent fixtures with energy efficient 28 watt fluorescent lamps.
4/28/2010	CITY OF MORRO BAY	\$55,983	Upgrade HVAC units at various city-owned buildings, upgrade interior and exterior lighting fixtures, and replace non-programmable thermostats with 7-day programmable units.
4/28/2010	CITY OF MONTEREY	\$157,057	Retrofit existing high pressure sodium and metal halide streetlights and parking lights with induction lighting.
4/28/2010	CITY OF LOMA LINDA	\$123,200	Replace 224 high pressure sodium street lamps with energy efficient LED lamps.
4/28/2010	CITY OF FOSTER CITY	\$157,426	replace existing high pressure sodium vapor street lights with LED lights.
4/28/2010	CITY OF AGORUA HILLS	\$124,741	Replace 149 old vehicle LED traffic signals and 78 old pedestrian LED signals that are at or past industry standard life for LED with new and more energy-efficient vehicle LED traffic signals and pedestrian LED signals.
4/28/2010	TEHAMA COUNTY	\$232,926	Upgrade 42 HVAC units, replace over 4,100 32 watt T8 fluorescent lamps with 28 watt T8 fluorescent lamps, and replace 42 regular thermostats with programmable thermostats.
4/28/2010	CITY OF HERCULES	\$135,630	Replace metal halide streetlights with high efficiency LED lighting fixtures.
4/28/2010	CITY OF CALISTOGA	\$28,114	Retrofit the City Hall, Police Department, Public Works Offices, and Recreation Facility lighting from T-12 fixtures to T-8 fixtures.
4/28/2010	CITY OF LAGUNA HILLS	\$174,071	Convert 304 incandescent traffic signals to LED throughout the city, and retrofit lighting and mechanical systems at multiple city-owned buildings.
		\$6,433,728	

Energy Efficiency Block Grant Approved Funds -- Energy Efficient Projects
California Energy Commission

As of April 28, 2010

Date Approved	City/County	EECBG Award	Energy Efficiency Measures
4/7/2010	SANTA CRUZ COUNTY	\$746,372	Upgrade the ozone laundry, mechanical and pump controls, motors and HVAC at ten county facilities.
4/7/2010	CITY OF RIPON	\$81,861	Install a split AC unit in the police department's dispatch area; upgrade existing HVAC and lighting systems in the old library building; and retrofit street lighting by replacing sodium vapor lights around the city with induction type lights.
4/7/2010	CITY OF DEL MAR	\$25,000	Purchase a storage array network that will consolidate storage of the city's data into one physical device, resulting in reduced energy use.
4/7/2010	COUNTY OF YOLO	\$129,238	Replace High Pressure Sodium Pole Lights with LED lighting fixtures.
4/7/2010	CITY OF BURLINGAME	\$150,010	Install sensors, lighting retrofit, HVAC, variable speed drives and motors at the fire station, police department, corporate yard, city garage and library; and upgrade streetlights to induction lamps.
4/7/2010	CITY OF GROVER BEACH	\$71,058	Lighting and building control replacements at seven city-owned buildings.
4/21/2010	COUNTY OF NEVADA	\$373,291	Replace HVAC equipment and controls, lighting retrofit, and the domestic boiler.
4/21/2010	CITY OF MILL VALLEY	\$71,550	Retrofit lighting at the Public Safety Building and the Mill Valley Middle School and a condensing unit upgrade at the Library.
4/21/2010	CITY OF CORTE MADERA	\$34,800	Upgrade HVAC equipment and install HVAC controls at the City Fire Department and upgrade interior lighting at the Fire Department, Town Hall and Recreation Center.
4/21/2010	COUNTY OF PLACER	\$606,540	Install various energy efficiency projects at six county buildings. The project includes lighting retrofit and controls, HVAC replacement and commissioning and controls and vending machine controls.
4/21/2010	COUNTY OF MONO	\$49,649	Replace thermostats, mixed-air temperature sensors, motors and drivers, and upgrade controls for the boilers in Courthouse Annex 1 and Courthouse Annex 2
4/21/2010	CITY OF LA VERNE	\$184,473	Install various energy efficiency projects at three city buildings. The project includes parking lot light, traffic signal and interior lighting retrofit, city hall HVAC replacement and energy management system.
4/21/2010	CITY OF SONOMA	\$54,346	Upgrade five HVAC units and related controls, and replace interior lighting and control systems

4/21/2010	COUNTY OF SAN BENITO	\$107,874	Install a 60 ton chiller at the County Courthouse, upgrade interior and exterior lights at various County buildings (Public Works, jail, Juvenile Hall and Administration) and replace street lights with induction lights.
4/21/2010	COUNTY OF CALAVERAS	\$180,480	Upgrade interior lighting in 12 buildings and install a central control system for HVAC units.
4/21/2010	CITY OF WALNUT	\$172,264	Retrofit lighting and mechanical systems and controls at multiple city owned facilities to a more energy efficient systems.
4/21/2010	CITY OF LIVE OAK	\$45,998	Upgrade pumps and motors assemblies at four water wells and a booster station.
4/21/2010	CITY OF NORCO	\$153,259	Replace existing equipment with energy efficient pumps and motors assemblies at two booster pump stations. The project also includes retrofitting energy efficient lighting at the Sports Complex.
4/21/2010	TOWN OF MORAGA	93,465	Upgrade HVAC systems, upgrade parking and street lights and install lighting controls.
4/28/2010	SISKIYOU COUNTY ECONOMIC DEVELOPMENT COUNCIL (a collaborative for the Cities of Yreka, Mt. Shasta, Dunsmuir, Montague, Fort Jones, Dorris, and the County of Siskiyou)	\$311,260	Retrofit existing lighting and lighting controls and install premium efficiency motors, demand control ventilation, and roof insulation upgrades.
4/28/2010	CITY OF FORT BRAGG:	\$36,458	Replace old lighting at various facilities, and twenty HP pumps at its wastewater treatment facility.
4/28/2010	ACTERRA (a collaborative for the Cities of Atherton, Los Altos Hills, Monte Sereno, Portola Valley, and Woodside)	\$166,746	Prepare energy assessments for high energy use homes and provide home owners with recommendations on energy reduction measures and implementations of these measures.
4/28/2010	CITY OF LOYALTON	\$24,038	Replace five existing surface aerators with new aerator modules powered by premium efficiency motors with auto controls.
		\$3,870,030
